BASEBALL CAMP

Coach Davis will focus on fundamentals and mechanics of baseball (base running, batting, fielding, pitching and situations). With patience and motivation Coach Davis will give your child a summer camp experience they will long remember, playing the “American Pastime”.

BASKETBALL CAMP

Coach Davis will focus on the fundamentals and mechanics of Basketball, with instruction in shooting and dribbling. The value of teamwork and good sportsmanship will be stressed. Through competitive drills skill levels will improve over the summer leaving your young man with improved self esteem and a new love for basketball.

COACH CLUADE PANZERI

Coach Panzeri has more than 20 years of teaching experience in the U.S., Switzerland and France. He trained to play professional tennis suffering a major injury two weeks before his first professional tournament.

Claude comes from a family of professional athletes. Both his father and grandfather were well recognized soccer players in France, Spain and Poland. In addition to tennis, Claude has spent many years participating in running, swimming and cycling reinforcing his belief in the value of cross training and positive transfer between disciplines.

TENNIS CAMP

This summer, Coach Panzeri will once again provide an all day tennis camp with emphasis on the rules of the game, strategy and tactics. He will help to show the players consistency through proper footwork, stroke production and spin.
